

YOH FEST ART CATEGORY INFORMATION

The YOH Fest Visual Art category invites participants to let their creative minds go wild by coming up with an art piece based around the annual YOH Fest health theme.

General Information

Depending on the number of entries from each school, it may be more viable for a judge to come out to the school to pick the top 3 art pieces, for display at the YOH Fest Art Exhibition.

Teaching & Assessment

LOWER SCHOOL

- ✓ Arts Ideas
- ✓ Arts Skills and Processes
- ✓ Responding and Reflecting
- ✓ Arts In Society

UPPER SCHOOL

- ✓ **Unit 1CDES** - The focus for this unit is personal design. Students understand that they visually communicate aspects of their personality, values and beliefs.
- ✓ **Unit 1DDES** - The focus for this unit is social design. Students become aware that society is made up of different groups of people that share common values.
- ✓ **Unit 2ADES** - The focus for this unit is cultural design. Students understand that society is made up of different groups of people that share different values, attitudes, beliefs, behaviour and needs.

Rules & Regulations

- a) The art piece must be the students work, with assistance from staff members.
- b) Work may be presented free standing or on free standing display boards.
- c) The health message must be presented in a positive and appropriate manner, focusing on prevention.
