

SOLO OR DUO DRAMA CATEGORY INFORMATION

Participants in this category will take to the stage alone or in pairs, to present an entertaining and educating drama performance based around the YOH Fest health theme!

Entries aren't rewarded for spending huge money on sets, costume design and specialised training; instead, they are rewarded for being creative and thinking outside the box to deliver the health message. Schools are encouraged to focus on getting the health message out there as creatively as they can and let those creative thoughts run wild!

GRAND FINALS (WA ONLY)

All YOH Fest Drama Solo/Duo entries compete in regional heats held across the State, with the top six finalists going forward to compete at the WA Grand Final event hosted in Mandurah in October.

Finalists are announced after the completion of the regional heats in WA.

NORTHERN TERRITORY

All YOH Fest Drama Solo/Duo entries will compete in YOH Fest Northern Territory, with the winners announced at the conclusion of the evening.
